The mark

Two highlighter strokes make the check. Where they cross, the marker passes twice and the yellow deepens. That is the match.

16 px 24 px 32 px 48 px 64 px

Drawn on a 64-unit grid. The base and both terminals land on whole pixels at 16 and 32 px.

Using the logo

On light backgrounds

On dark backgrounds, the check without its tile

Leave clear space of half the tile height on every side.

Smallest sizes: the mark at 16 px, the lockup at 120 px wide.

Keep the colours as drawn. Do not recolour, outline or rotate the mark.
